

# How to access Learning@home materials to support your child in their continuity of learning

<p>1. Open your internet browser (e.g. Google Chrome or Firefox, not internet explorer)</p>													
<p>2. In your search space type in <b>learning@home</b> or <b>learningathome</b></p>													
<p>3. Click on the link that says <b>learning@home - Education Queensland</b></p>													
<p>4. Select 'Learning resources'</p>													
<p>5. Explore and engage with the resources with your child to support their ongoing learning.</p>	 <p><b>learning@home</b></p> <ul style="list-style-type: none"> <li>&gt; Advice to parents</li> <li>&gt; Wellbeing of students</li> <li>&gt; English</li> <li>&gt; Mathematics</li> <li>&gt; Science</li> <li>&gt; <b>Learning resources</b></li> <li>+ Senior Schooling</li> <li>&gt; Maintaining healthy routines</li> </ul> <p><b>Learning resources</b></p> <p><b>Additional resources and links</b></p> <p>There are many educational websites that provide learning activities for students of all ages. To help you select relevant activities when visiting these websites look at the Prep to Year 10 Australian Curriculum <a href="#">Parent Information</a> webpage to see what your children will be learning in each learning area at each stage of schooling.</p> <p>Aboriginal and Torres Strait Islander students and families are advised that these resources may contain images, voices, names or references to deceased persons. This may be in the form of photographs, film, audio recordings or printed material included or referenced as part of this resource.</p> <p>Some of these resources contain sensitive issues for the purposes of critical study. Parents are encouraged to consider the suitability of resources for their children.</p> <p><b>General</b></p> <table border="1"> <thead> <tr> <th>Site</th> <th>Description</th> </tr> </thead> <tbody> <tr> <td><a href="#">ABC Education</a></td> <td>ABC Education brings thousands of free curriculum-linked resources for Primary and Secondary students and teachers.</td> </tr> <tr> <td><a href="#">Australian Children's Television Foundation</a></td> <td>Australian Children's Television Foundation has multimedia activities for student.
