Principal's foreword

Introduction

All Queensland schools are required to report to our school communities on the progress of the school in prescribed areas. The intent of this report is to provide a set of information that is common for all State and Non-state Schools in Queensland. It provides an overview of the highlights and successes of Mayfield State School during the 2013 school year.

During 2013, Mayfield State School has been extremely active in developing school facilities and continuing implementation of ACARA through EQ's Curriculum into the Classroom (C2C) initiatives and implementing for the National Curriculum. There has been a major emphasis placed on teacher professional development as the school further embraces the goals of Education Queensland's Strategic Plan.

Mayfield State School's mission:

Through a caring and supportive school environment, the Mayfield State School community aims to foster the development of the individual as a lifelong learner with the skills for success in an ever-changing world.

Our Aim:

Our aim is to provide the best possible education for our students to equip them with the skills, knowledge and attitudes to contribute positively as citizens of the future. Through a caring and supportive school environment, Mayfield State School community aims to foster the development of critically literate individuals who have a keen disposition to learning in a digital world.

We Value:

High Quality Education for children and continuous professional learning for adults
Best possible outcomes for all students.

School Wide Positive Behaviour through our PAWS - Be Prepared; Act Responsibly; Work as a team; and Show Respect
Respect, honesty, integrity and responsibility.
Environmental awareness / sustainable behaviours and actions
School Pride

Queensland State School Reporting 2013 School Annual Report

School progress towards its goals in 2013

Mayfield State School continues to implement the Australian Curriculum in Mathematics, English, Spelling and History. A continued emphasis on the teaching and learning of Reading and Spelling resulted in a more consistent approach across the whole school. Whole School intervention focuses attention on all students' learning through individual and group target and goal setting, giving quality feedback and moving children up the A to E achievement brackets.

Involving parents in their child's education

The school has been a part of the community for over 50 years and enjoys a high level of community and parental support.

Formal parent support is demonstrated through the Parents and Citizens Association, and its business units which include swimming club, tuckshop and Outside School Hours Care.

Parents are welcome and actively invited to become involved in their child's education. Parents are involved in assisting in classrooms and library, attending assemblies, and writing submissions.

Reducing the school's environmental footprint

During 2013 the school has maintained our water consumption by utilising water tanks and waterless urinals. Solar panels have been installed. The school engages in recycling of cardboard and printer cartridges and engages the services of business such as "Reverse Garbage" where appropriate in curriculum activities. The amount of general waste generated has been reduced through sustainability projects including composting and worm farming. We have arrested increasing electricity usage with energy saving practices

	Environmental footprint indicators	
	Electricity kWh	Water kL
2010-2011	116,232	2,178
2011-2012	132,473	2,490
2012-2013	133,769	2,418

The consumption data is sourced from the validated utilities expenditure return which the school submits at the end of each financial year. The data provides an indication of the consumption trend in each of the utility categories which impact on the schools environmental footprint.

Description of how non-attendance is managed by the school

Performance of our students

Non-attendance is managed in state schools in line with the DET policies, SMS-PR-029: Managing Student Absences and SMS-PR-036: Roll Marking in State Schools, which outline processes for managing and recording student attendance and absenteeism.

The rolls are marked twice a day (9:00am and 2:00pm). All absences, late arrivals and early departures are recorded and parents are required to send in a letter with an explanation for the students' absence.

National Assessment Program – Literacy and Numeracy (NAPLAN) results – our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9. (The School results below are available within OneSchool. For parents / caregivers who are provided with a printed School Annual Report, NAPLAN results must be attached.)

Our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9 are available via the My School website at <http://www.myschool.edu.au/>.

Achievement – Closing the Gap

Mayfield State School has a very small number of Indigenous students.

Where support is required, it is provided through the processes that have been developed to support indigenous and non-indigenous students.
