We're excited to launch the Oasis Cafe for 2017 on **Wednesday, 1st February!** Our menu is both simple and healthy which is how we are able to make all of the items on the premises, ensuring that the food is high quality and free from preservatives.

Almost all the items come in compostable packaging, which means once children have finished eating they can dispose of their rubbish in the compost bins and worm farms around the school!

We have a great online ordering system for the cafe called **FlexiSchools**. This system allows you to place orders at any time. The payment is also done online, so that means less paper bags, cash, cheques, and envelopes are sent via your child to school. As well as being convenient for parents, the online orders are much faster and easier for us to process - so it makes everyone's life a little easier. FlexiSchools is well established and tested, operating in hundreds of schools across Australia.

Getting online is easy and only takes a few minutes to register. Simply go to **[flexischools.com.au](http://flexischools.com.au)** and click 'Register Now'. You will be sent an email with further instructions on how to complete the registration. Once registered, you can start placing orders immediately. If you have any questions, FlexiSchools provide a great help desk on 1300 361 769, or you can contact them via their website.

There are a variety of payment options supported, including Visa, Mastercard (credit and debit) and Bank Transfer. The system operates via a pre-paid account, so you no longer have to worry about the manual process of sending payments into school, and you can easily budget your expenses throughout the year.

As always, if you have any feedback or suggestions, please let us know at **[oasiscafe@mayfieldoshc.com.au](mailto:oasiscafe@mayfieldoshc.com.au)**.
